TO THE WEST! TO THE WEST!

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world." This line, the

ST. LOUIS & SOUTHEASTERN RAILWAY,

has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and platform, and the Westinghouse air-brake.

It is positively the only line running Pullman Palace Drawing-Room Sleeping Cars through without change from Nashville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that

The "St. Louis & Southeastern"

is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chicago Shortest Line," via Evansville.

You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to CHARLES McCABE, Southern Passenger Agent, near College street Depot, Nashville, Tenn., or to the undersigned.

WILMINGTON, N. C.

Tuesday, October 28th, 1873.

A PROCLAMATION,
By the President of the United States of America.

The approaching close of another year brings with it the occasion for renewed thanksgiving and acknowledgment to the Almighty Ruler of the Universe for the unnumbered mercies which He has bestowed upon us.

Abundant harvests have been among the rewards of industry. With local exceptions health has been among the many blessings enjoyed. Tranquility at home and peace with other nations have prevailed. Frugal industry is regaining its merited recognition and its merited rewards.

Gradually, but, under the providence of God, surely, as we trust, the nation is recovering from the lingering results of a dreadful civil strife.

For these and all the other mercies vouchsafed, it becomes us as a people to return heartfelt and grateful acknowledgments, and with our thanksgiving for blessings we may unite prayers for the cessation of local and temporary sufferings.

I, therefore, recommend that on Thursday, the twenty-seventh day of November next, the people meet in their respective places of worship, to make their acknowledgments to Almighty God for His bounties and His protection, and to offer to Him prayers for their continuance.

In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the city of Washington this 14th day of October, in the year of our Lord one thousand eight hundred and seventy-three, and [L.S.] of the independence of the United States the ninety-seventh.

U. S. GRANT.

By the President:

HAMILTON FISH,
Secretary of State.

House of Correction.

Some months ago the Legislature authorized the establishment of a House of Correction in this county, and much was said and written upon the subject at the time. There seems to have been a hitch somehow, for nothing more has been done about it. The necessity of such an institution is apparent to the most casual observer, and it is sad to contemplate the fate of many youths growing up in our midst in crime, when they should become useful members of society. To imprison them with hardened criminals is worse than useless, and we earnestly hope that some means will be devised by which the House of Correction may be established. What say you, Messrs. Aldermen and Commissioners, why don't you do something about it?

Virginia.

As the campaign in Virginia progresses, the hopes of the friends of Col. Hughes and the Republican party rise. The wretched failure to make capital out of the story that the candidate for Governor had once carried a challenge, and hence was ineligible, has made friends for the gentleman so traduced. Many respectable people, who perhaps had been somewhat imposed on by the Conservatives of Virginia, have their eyes opened to the tricks of a party which would employ such a paltry one, and now are positive in their support of the Republican ticket.

It is said that on the occasion of the Conservative demonstration in Petersburg last Thursday, a large number of the members of the K. K. K. (Kemper-Kampaign-Klub) went to that city from Richmond, and whenever they found a colored policeman would strip him of the insignia of his office, and if resistance was made they would beat him. It would appear from this that the K. K. K. means something else than those who instituted it parade before the public.

Yesterday the U. S. Treasury began the payment of silver to creditors; and it is designed to continue to do so as long as that metal is called for. Although it is not probable the demand for so weighty and bulky an article will be great, yet it is a long stride in the direction of specie resumption. Indeed, it is specie resumption, for in no country can gold be at a premium long while silver is at par. Gold and silver have in all ages of the world had an equal value, except in those exceptional periods when the currency in general circulation was at a discount. Then the greater convenience of gold always causes a slight appreciation of it beyond the mere common metal, and not because more faith is had in it.

The Spaniards say: "At eighteen marry your daughter to her superior; at twenty to her equal; but at thirty to anybody who will have her."

Cape Fear Agricultural Association.

The *Journal* has the following announcement, which is of so much importance that we copy it entire. We do most certainly hope our Fair will be a success, and shall do everything in our power to advance its interests. The *Journal* says:

The officers of the Cape Fear Agricultural Association are preparing, with much energy, for its Fifth Annual Fair. The time has been fixed for the second week in December, beginning on the 9th of the month, and ending on the 12th, so that it will not interfere with the Charlotte and Sampson Fairs on the one hand, or the Superior Court of Sampson on the other.

The President and members of the Executive Committee were present at the State Fair, and secured some of the finest stock and articles on exhibition for our Fair. On each day of the Fair there will be trials of speed, both trotting and running, from some of the fastest horses in the country.

The Shooting Match, for a fine breech-loading, double-barrel gun, will certainly take place, probably Wednesday of the Fair week.

For Friday a magnificent Tournament, with Knights dressed in full armor, with ball at night, has been arranged.

A grand Gift Concert is in active preparation, and will be duly announced.

We hope our people throughout this section of the two States will lend all their energies to assist the management. Independent of the "hard times," there is no reason why the next should not be the best of the Fairs held here. We publish elsewhere an appeal from a Committee in behalf of the enterprise.

To the friends of the Cape Fear Agricultural Society:

Your officers have labored dilligently to make the next Fair a success, such as is worthy the great city of Wilmington and the county which sustains it. They have perfected all the arrangements and now alone need the hearty co-operation of those desiring a success. They now appeal to the citizens of the city to come forward and do their duty. We admit that the financial crisis has dampened the ardor of those from whom the Association expected aid. But we ask the question: Has it really injured any? There have been no failures; we are all worse frightened than hurt. Then come forward like men and do your duty. Officers can't do everything without the aid of those really interested. Those men who have the reputation of their city at heart; those men who will really derive pecuniary advantage from the annual collection of a great concourse of people, each man leaving in the city from $10 to $100. Let those who reap the profit come forward like liberal men and contribute to its success. Deal fairly, and if benefitted do not underrate the advantage of the Fair to the city, in order that you may conceal from the world how much you may really profit by it. Let the croakers and the despondent, the over-ambitious and wilfully obstinate close their mouths for the time. Say a good word, and not be ever ready to complain of the management. Activity in managers is a very good thing, yet it requires a little liberality on the part of the wealthy, influential, the business men—running through all the various departments of city and commercial life. The commission merchant, the wholesale and retail merchant, the railroad man, the hotel and saloon keeper, the butcher, the baker, the artist, the banker, in fact, all and every one interested in the welfare of the city should come forward like men and contribute but a pittance to the support of the enterprise. And especially do we call upon the newspapers of the city and district to lend their aid to the enterprise. They have ever been liberal and public-spirited, and when they know and understand the difficulties of the management they will not be ready to blame. The State Fair was a success, but it was at an expenditure of $40,000.

The management only asks that those most interested shall contribute to make up such purses as may be within their means. It would ask of the Commission merchants to make up one, of the retail merchants one, of the rail road men one, of the turpentine buyers and distillers one, of the mill men and timber buyers one, of the cotton factors one, of the butchers one, of the hotel keepers one, saloon keepers one, and thus encourage the best horses to be brought to the fair. These need not be large in any instance, yet the producer will in a measure judge of the liberality of each by its encouragement of that holiday sport to which the city has invited the country.

Our premium list will be liberally provided for. The country has given evidence that the approaching fair will be the largest and most successful that we have yet held. As Christmas approaches the holiday will be kept in that spirit in which neighbor should meet neighbor on an high and festive occasion. With a spirit of generous rivalry the farmer will meet the farmer and vie with him in exhibiting specimens of those things which go to make up the wealth of the land. Here, too, fair hands will exhibit the work which will refine the rough nature of the beholder, while it will adorn the Floral department of the annual exhibtion. Here will the sturdy farmer exhibit his stock and while it is beheld and admired will his heart glow with pride as encomium after enconium is bestowed upon his care, his thrift and his possession. All will be one grand, one gay, one festive scene, made up from the energy and wealth of the sons of toil and beautified by the hand of art. Fostered and encouraged by the hand of commerce and adorned and made lovely by the bright eyes, smiling faces and fair presence of lovely woman.

Let no croaker endeavor to throw a damper upon the coming Fair. But, as friends, let all come forward and act their parts well and the Fair must be a success.

— Benjamin Butts, proprietor, and F. Campbell, editor, of the Newark, N. J., *Echo*, were arrested on the 25th, by the sheriff, having been indicted by the grand jury for libel. Campbell gave bail, and Butts, the proprietor, was committed to the county jail.

— Robert Sixburry died on the 23d instant, in the town of Leary, Jefferson county, N. Y., at the age of 110 years and 7 months. Mr. Sixbury had acquired a great reputation as a hunter on John Brown's tract in nothern New York, where he had slain over 2,200 deer. When past eighty years of age he met with an accident which necessitated the amputation of one of his legs, and he assisted the country doctor to perform the operation without flinching. The funeral was attended by several of Mr. Sixbury's children between eighty and ninety years of age.

— The different lodges of the Hebrew order of the B'nai B'rith in this jurisdiction are now making preparations for the convention which meets in Chiaago in January next. The next meeting is the most eventful of any held within the history of the order, as it will be called upon to decide questions of the most important character. Among the subjects which will be brought before the attention of the convention will be the admission of non-Israelites into the order, the establishment of a general orphan asylum of the order, the foundation of a general endowment fund, and the abolition of the district grand lodges. The convention will also be called upon to allow a larger extent of territory to district grand lodge No. 5, which comprises Maryland and the District of Columbia.

tf 15 Market st.

ONE would suppose, judging from the articles stolen last night, viz: canned fruits, applies candies, beef tongues, hams, sausages, breakfast strips, potatoes and cigars, that the band of thieves that infest our city are making preparations for a grand re-union, or that they have an eye to a Thanksgiving dinner.

SUPERIOR COURT.—The crowd in attendance at the Court House does not seem to diminish as yet. The Grand Jury is hard at work, and the haste and rush is unabated. Two bills were returned to-day by the Grand Jury, one for rape and one for murder. The following cases were disposed of in Court:

W. T. Hodges, A. and B. Guilty.
Wm. McNeill, larceny. Guilty.
Richard Moore, larceny. Guilty.
John H. Mitchell, larceny. Guilty.
Collins Stukey, A. and B. Not guilty.

THE TOWN CRIER.

— Mild.

— Gold is 108⅛.

— More fine walks wanted.

— THE WEEKLY POST is rapidly gaining in circulation.

— Now prepare for our Fair. Read the appeal in another column.

— Thanks for delicious, fragrant flowers, to cheer the editorial heart.

— A blind horse investigated some bee hives yesterday and came very near being stung to death.

— A loose horse last night about midnight, dashing down Princess street, frightened the pedestrians.

— About three hundred clergymen will be in the city Wednesday in attendance upon the Synod. Open wide your doors.

— Another amateur concert is on the tapis, to be given in aid of the Memphis sufferers. We do not know what ladies or gentlemen will participate, but it should be most liberally patronized.

— "What shall we do with our daughters?" This connundrum has been going the rounds of the press for some time, and many answers are attached to it, though none seem to fill the bill. Let somebody else guess.

FRANK MALPASS, charged with the murder of Edward Walker, late of Columbia township, was delivered to the Sheriff by Hanson Malpass yesterday, and is now in jail to answer the indictment. Gurganus, who has been out on bail on the same charge, was committed to jail on the indictment for murder being found by the grand jury.

MR. FRED HEYER'S store, on the corner of Second and Market streets, was again entered last night. The thieves bored a hole in the shutter to one of the rear windows, pulled out the bolt, and entered. Mr. Heyer at present only misses a few cigars and twelve dollars worth of pennies, but it is impossible to tell what else was carried off from his large stock of groceries, etc. No clue.

THIEVES entered the store of Mr. John C. Heyer, on the corner of Princess and North Water streets, last night, and carried off three boxes of candy weighing about twenty-five pounds each. Admittance was gained by breaking the hinges from the side door on the corner of Princess street. A couple of boxes of soda were found lying near the door this morning when the store was opened.

Mayor's Court.

His Honor W. P. CANADAY, Mayor presiding.

W. H. Perin, charged with disorderly conduct, cursing, etc. Judgment suspended on the payment of costs.

W. Wiston, charged with being disorderly, and beating his wife, was fined $5 and cost, and required to give a bond of $50 for the support of his wife and to keep the peace.

Robert Carter, charged with disorderly conduct, was fined $20 and cost.

THE SIMPLE REASON why Hand Sapolio is the best article in the world for the constant use of all classes of people, is because it will do what no other substance will, as follows:

MECHANICS—Will entirely remove tar, paint, oil, and varnish from the clothing and hands.

FARMERS—Its use will prevent tan, sunburn, chapped hands.

WORKING WOMEN—It will take the place of powders and cosmetics for beautifying the complexion, and will render the hands white and soft, no matter how much they are used.

EVERYBODY—It is the best article in the world for removing all cutaneous blemishes from the skin, and rendering it white, beautiful, and natural in color. In price cheaper than soap—only 10 and 15 cents a cake, according to size.

The Surry *Visitor* says: On last Monday the Blue Ridge Mountain was covered with snow four inches deep, and remained white for several days. This is early for snow with us, and we felt like drawing on our woolens. The Blue Ridge Mountain is about ten miles from this place, and in fair view to the extent of a hundred miles or more, so, with a keen wind, we can feel the snow as well as see it. The 20th of October is quite early for a four inch snow with us.

The Goldsboro *Messenger* is requested to caution the public to beware of an impostor, sailing under the name of St. Clair, and claiming to sell steam engines for cotton gins on a credit. The individual was on the south side of Neuse river a week or two ago. He stayed one night at Mr. John A. Kee's residence, and appropriated a quantity of wearing apparel. We learn also that he stole a horse from the stables of Mr. John Everitt Parker, in Sampson county.

STATE ITEMS.

The *Sentinel* is throwing out hints for another supply of tobacco.

Tarboro brags on ranking as the *second* money order office in the State, Wilmington alone being ahead.

Surry county has a man 114 years years old who has been drinking whiskey and chewing tobacco all his life and never heard of Lord Cornwallis.

The young ladies and gentlemen of Wilson are making preparations to get up a number of amateur dramatic entertainments during the coming winter.

Tarboro is making extensive preparations to accommodate the large number of delegates who will be there Nov. 19th in attendance on the State Council Friends of Temperance.

The Governor has pardoned Albert Pruden, colored, convicted of larceny at the fall term, 1872, of Hertford Superior Court, and sentenced to three years imprisonment in the Penitentiary.

The Greensboro *Patriot* is informed that fifteen young men have returned within the past week to their homes in Alamance and Davidson counties, having tried the West to their entire satisfaction.

A negro man, named Jack Robinson, came to his death near Goldsboro on Tuesday last, caused by the acccidental discharge of a gun in his own hands while out hunting. Such is the verdict of the coroner's jury.

Mount Airy, Surry county, is after New-Berne on the *sweet potato* question, and the *Visitor* now comes and says that a man near that place has a potato which measures 20½ inches long and 3⅝ inches diameter. Next.

Mr. George Newton, living a few miles from Fayetteville, when returning home last week, was felled senseless by a colored lad whom he had allowed to ride in his wagon with him. He was robbed of what valuables he had, and the scoundrel is still at large.

The *Western Expositor* tells of a baby born in McDowell that has six fingers on each hand, without eyes or ears, and is a breathing, living phenomenon.—The enterprising localizer of that journal interviewed a lady of McDowell county, who vouched for this singular freak of nature.

The Tarboro *Southerner* says: During the present hunting season Messrs. John L. Bridgers and J. S. Barlow, with one pack of hounds, have "tailed" forty-one of the Reynard tribe. This number does not include many that the dogs caught, but which the hunters were unable to get.

Says the Goldsboro *Messenger*: The Bank of New Hanover, in this place, it affords us pleasure to say, is doing business as usual, receiving deposits of currency, paying checks, and selling exchange for the accommodation of merchants and business men who have occasion to make remittance to various portions of the country. This institution is perfectly safe and those having surplus money should not hesitate to deposit there for safety and usefulness.

CORRESPONDENCE.

EQUAL RIGHTS CLUB, CITY HALL,
ASSEMBLY ROOMS, October 24.

A meeting of this active political Club, met at the City Hall as above; D. Holmes, Esq., in the chair, J. M. Wise acted assecretary. Hon. G. L. Mabson addressed the audience in relation to the ingratitude of certain public officials who receive the benefits, but deny the operation of the principles of the Republican party. Hon. G. W. Price delivered an effective speech in favor of the employment of the recognized means to elevate the true men of the party to positions of honor, and alluded to the immorality of those who, in their exclusion of equal rights to his race, offer insult and outrage to the desire of Gen. Grant, "to develop what good we may have," closed with the following resolution:

Resolved, That the Equal Rights Club of New Hanover endorse the call made through the several States of this Union for a grand national convention of colored men, to meet at Washington, D. C., during the session of Congress to demand from the government our full privileges as American citizens, along side of the foreign and native born, and that a State convention assemble at Raleigh to appoint delegates.

J. M. WISE, Sec'y.

Editor Evening Post:

I feel regret to have to inform you and the public of the resignation of Mrs. Sue Unkler as P. M. at Bernard, Brunswick county. She is a lady qualified, and has filled the place with promptness to her duties. She has tendered her resignation, and recommended Mr. B. G. Robinson as P. M. of that place. I regret to part with her.

Respectfully,

W. M. MONROE,
Route Agent C. C. Railway.

The Second Auditor's report says that the office is on the *qui vive* for fraudulent claims. The Auditor has determined that prosecution shall follow every detection, whether from forgery or the withholding of money by claim agents. The *Expositor* says: John Wilson and William Wilson, brothers, were fatally stabbed while engaged in a difficulty with George Edney, at Burnsville, Yancey county, a few days ago. Edney received a serious wound from a pistol shot in his side. Many persons were involved in the difficulty, which was the most serious known since the war. The Wilsons are not expected to survive.

The Raleigh *News* says: James, of the Wilmington *Journal*, took upon himself the trouble to calculate the number of times the human heart beat in a year, but was not able to find out the name of a white woman convicted of infanticide at the late term of Anson Superior Court. The verdict was returned on Wednesday, but sentence had not been pronounced up to Thursday night.
